This Remembrance Day the students of Collingullie Public School held a service to commemorate the anniversary of the end of World War One. Our school leaders and senior students led the service.

It was on this day in 1918 that the countries agreed to bring the First World War to an end. On the 11th hour of the 11th day of the 11th month the war was over with countries officially signing the Treaty of Versailles on the 28th June 1919. One year later King George V remembered the sacrifice his people had made by hosting a banquet at Buckingham Palace. This day became known as Armistice Day and was later changed to Remembrance Day as it was the day we remember the sacrifice all the men and women have made for our country.
### Calendar

**Term 4**

**Term 4, Week 6**

- Wed 11 Nov: Remembrance Day Ceremony

**Term 4, Week 7**

- Fri 20 Nov: Infants Assembly Item
  - Science Day

**Term 4, Week 8**

- Wed 25 Nov: Bilby visit
- Thurs 26 Nov: Movie Night—WWPS 6:30pm

**Term 4, Week 9**

- Mon 30 Nov: School Captain nominations due
  - P&C Meeting 3:40pm
- Thurs 3 Dec: School Captain speeches
  - WWHS Show
- Fri 4 Dec: Primary Assembly Item
  - Visit from Director, Public

**Term 4, Week 10—Swimming School**

---

### Principal’s Note

I was extremely proud of our school leaders and senior students on the manner in which they conducted themselves as they led our school’s Remembrance Day service yesterday.

Please keep the new date for the Movie Night in your calendars, Thursday 26th November at 6:30pm. It will be held at Wagga Wagga Public School. Our students are still working on their movies and few will be selected to view on that night along with movies that the students from the Community of Small Schools have made about what makes small schools so great.

I am looking forward to next Friday’s Science Day where Mrs Brett and the Primary students will be conducting a number of experiments and setting up experiments for the Infants students to try.

Once a year schools need to conduct a tree audit and the students, teachers and Mr Honeyman had a walk around the school on Tuesday afternoon looking at our trees which all look quite healthy. We found a few dead branches and some new growth that needs to be trimmed back and we will be addressing these issues over the next few weeks.

**Kirrilee Post**

### Lucky Numbers

We continue to be grateful to the Crossroads Hotel for its ongoing support of our school. Each month we run Lucky Numbers at the hotel. Thank you to everyone for supporting our Lucky Numbers by buying or selling tickets.

In the coming weeks Lucky Numbers will be run by:

- 20 November — Guiton
- 4 December — Gunn
- 18th December — Hughes

What have we been learning in class?

From the Infants Classroom – With Mrs Koschel
We have had a great week this week in Infants. In Maths we have been looking at addition and subtraction strategies. Kindergarten have been using concrete materials and learning to count on and back. They have also been learning about what a sum looks like and where the numbers come from. Year One has been revising their friends of 10 and starting to learn friends of 20. They are also learning to use the strategy of ‘doubles plus one’ eg, 5 +6 = 5+5+1 and bridging to the next ten. Year Two have been learning the split strategy where they add the ones and tens separately, the inverse strategy where they add on to find the answer for subtraction questions and the jump strategy. In English, we have been reading a great book called ‘Charlie Parsley and Pearl Barley’. The students used a Venn diagram to record the character traits that were unique to each character and the ones they share that are the same. The letter combination for Year One and Two this week was ‘ng’ as in bang and Kindergarten have been practicing their magic 100 sight words. We celebrated Remembrance Day on Wednesday as a whole school. It was great to see the students being respectful on this special day.

From the Primary Classroom – With Miss Post & Mrs Brett:
This week we have spent a lot of time working on our movies for the Little Big Shots film competition. We looked at the movie that the students from Kooringal Public School made this year for the Wagga City Council Film Festival to gain ideas for their own movie. We also looked at what criteria we need to achieve in our films. We then looked at each others’ films to see what everyone else has been up to before continuing our own movies. In maths we have been revising addition, subtraction, multiplication and division in the lead up to the end of year tests. We have all made progress on our Basic Facts Tests and some have moved up to the next level. We have continued reading our novel and commemorated Remembrance Day. It was lovely to have Bill from Blueearth here yesterday for more PE skill based activities.

Operation Art
Congratulations to our students who participated in Operation Art last week. It has been lovely to hear from these students as they shared their art pieces with the school this week.
Year 6 Farewell—10th Dec

Earlier this year at the Year 6 Leadership days the Year 6 students decided that they wanted to have a combined Small Schools’ Farewell Dinner. This dinner will be held at Lake Albert at the Boat Club. Year 6 students, their parents and teachers are invited to attend. The cost per adult will be $30 a head and the Year 6 students’ meals will be complimentary on behalf of Collingullie Public School as our gratitude for the wonderful years they have given our school. RSVP and money is required by Friday 27th November.

Movie Night—Thursday 26th Nov

On the Movie Night there will be chips, a popper and a Freddo frog in a deal for $5. If any parents can help man the stall please let us know.

Auction at the Hall 5th December

Swimming School

Please put Week 10 in your calendar as Swimming School week.
